**SUPPLEMENTAL DECLARATION OF RYAN ALDRIDGE REGARDING IMPLEMENTATION
OF NOTICE PROGRAM AND SETTLEMENT ADMINISTRATION**

I, Ryan Aldridge, hereby declare and verify as follows:

I. INTRODUCTION

1. ***Personal Information.*** I am a Partner with the Court-appointed Settlement Administrator, Eisner Advisory Group, LLC ("EisnerAmper"). EisnerAmper was retained as the Settlement Administrator in this case, and, as the Project Manager over this Settlement, I am personally familiar with the facts set forth in this declaration.

2. ***The Capacity and Basis of this Declaration.*** I am over the age of 21. Except as otherwise noted, the matters set forth in this Declaration are based upon my personal knowledge, information received from the parties in this proceeding, and information provided by my colleagues at EisnerAmper and our partners.

3. ***The Purpose of this Declaration.*** The Declaration of Ryan Aldridge Regarding Implementation of Notice Program and Verification of Compliance with Notice Requirements (the "Notice Declaration"), submitted to the Court on June 29, 2026, detailed the status of the Notice Program and reported on claims received as of June 26, 2026. This Supplemental Declaration provides an update on the

Notice Program reach, claims activity, and exclusions and objections received.

II. NOTICE PROGRAM REACH

4. ***Notice Reach Results.*** Through the Notice procedures outlined in the Notice Declaration, EisnerAmper attempted to send direct notice to 356,707 (99.83%) Settlement Class Members. As of August 25, 2026, the Notice Program reached a total of 343,930 (96.26%) Settlement Class Members¹. Table 1 below provides an overview of dissemination results and reach statistics for the Notice Program.

III. CLAIM ACTIVITY

5. ***Claim Intake and Processing.*** The deadline for Settlement Class Members to submit a Claim was August 11, 2026. As of August 25, 2026, EisnerAmper has received a total of 28,424 claim submissions (7.96% of the Settlement Class) from Settlement Class Members. EisnerAmper will continue to intake and analyze claims submitted or postmarked by the claims filing deadline of August 11, 2026. Nonetheless, the claims rate of approximately 7.96% is consistent with data breach class action settlements administered by EisnerAmper. Table 2 below provides a summary of claim-intake statistics and current dispositions. Table 3 below provides a summary of Net Claims received. If the Court awards the requested attorneys' fees, costs, service awards, and administrative costs in section V, the estimated pro rata award as of the date of this declaration is \$39.21 and \$38.94 if late claims are accepted. The estimated pro rata payment could slightly decrease depending on the volume of deficient claim forms cured, and as EisnerAmper continues

¹ A Settlement Class Member is considered "reached" by direct Notice if a Notice mailed to the Settlement Class Member has not been returned by the USPS as undeliverable or, if a Notice mailed to the Settlement Class Member was returned by the USPS as undeliverable, a subsequent Notice was mailed to an alternative mailing address for the Settlement Class Member and was not returned.
